Mid-Term Workshop 07/09/2016

This project has received funding from the Euratom research and training programme 2014-2018 under grant agreement n° 653951

After having presented our vision for a Joint Programme :

- Are you ready at this stage to start discussion at national level in order to engage in this Joint Programme?
- Do you need anything from the JOPRAD consortium to support your national discussion?
